- This plate contains 15 detailed scientific illustrations of moths, numbered 1 through 15. The moths are arranged in a grid-like fashion. Figures 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, and 15 are shown from a dorsal view. Figures 14 and 15 include horizontal scale bars below them. The illustrations show various wing patterns, including stripes, spots, and solid colors like yellow and brown. The moths vary in size and shape, with some having more spread-out wings and others being more compact.
